BACKGROUND

Europe Remembers initially began as an international campaign targeted around the 75th anniversary of the end of World War II in 2019-2020 through partnership between: The LRE Foundation, the Dutch National Fund for Peace, Freedom and Veterans Support (vfonds, NL), NBTC Holland Marketing (NL), Region of Normandy (FR), Normandy Tourist Board (FR), City of Bastogne (BE), Bastogne War Museum (BE), Tourism Veluwe Arnhem Nijmegen (TVAN, NL), Province of Limburg (NL) and Cross-roads Brabant (NL). The aim was to create a centralised European platform for the multitude of commemorations and destinations, as well as a unified awareness campaign. The end of the 75th anniversary's commemoration does not mark the end of Europe Remembers. The project will continue in the coming years and will be the basis of the 80th anniversary program in 2024-2025.

EUROPE REMEMBERS "ON TOUR!"

Since May 2019, the Europe Remembers team has gone "On Tour" to visit and to present the most important sites and regions marked by World War II across Europe. At each location, interviews with eyewitnesses, historians, and other individuals bring us closer to the personal stories and histories that link the continent. To watch the videos and live events, follow our social media channels @EuropeRemembers, and #EuropeRemembers or visit our online video map: europe remembers.com/on-tour/ Europe Remembers "On Tour!" offers a great opportunity for our partners by promoting sites, tours, and cultural events evolving around the history of World War II all over Europe.

I REMEMBER

[A special VE-Day commemoration in times of Covid-19](#)

In order to commemorate the 75th anniversary of the end of WWII, despite the restrictions due to the COVID-19 pandemic, LREF organized a series of live online dialogues with 25 veterans and eyewitnesses from seven countries around the world. #IRemember was an occasion for the younger generations to connect and have one-on-one conversations with those who experienced the war firsthand. From a studio in Brussels, the LREF streamed the live conversations for five days on its Facebook and YouTube channels. Nearly twenty hours of conversations in four different languages (Dutch, English, French, and German) took place. Thousands of people followed the event live and afterwards via the Europe Remembers' channels.
